Email: holger.guirisberger@gmail.com

Malaka Hostel is a band of 5 musicians, plus a technician (6 people)

Viktor Wagner, Daniel Di Marzo, Grischa Kursawe, Holger Schütze, Werner Wilz, Jonas Meder

Parking

We need a parking space for the band vehicle (a large Mercedes Sprinter, height: 2.70m) in close proximity to the performance venue and at the accommodation location. If transport by air or rail has been arranged, this can be omitted.

Backstage

Thank you for a quiet place where we can relax.

Catering

Still water (at least 5x1 liter in resealable bottles) must be available on stage. We also appreciate coffee/espresso and non-alcoholic drinks in the backstage area. Salad and fruit will help us get through the tour. There are 2-3 vegetarians.

Accommodation

We require 2 twin rooms with separate beds and 2 single rooms (one of which must be suitable for allergy sufferers) in a good, nearby hotel including breakfast. Please arrange for late check-out. Band apartments are also possible, provided they are comfortable, clean, accessible at any time for each individual, and ensure a restful night (please note: at least one room must be suitable for allergy sufferers, otherwise an additional single hotel room must be booked).

!!!Please note!!!

One band member is allergic to down (bedding), animal hair & house dust: Holger Schütze

I have read the rider and agree to all the agreements contained therein with my signature. Deviations are to be discussed with the above address. We are aware that not all points of the rider are always possible. However, we ask that deviations be communicated so that we can make preparations ourselves.
