### **“Gogo Vago” - the new album 2023**

Malaka Hostel is back with their new album "Gogo Vago." The band sings in Spanish, German, Czech, or English and combines folkloric sounds from the Balkans or the Andes with grooving beats. Malaka Hostel has already performed at renowned festivals such as the Fusion Festival and the Jazz Festival Saalfelden and their songs seamlessly translate between Balkan beats, offbeat ballads, power polka, as well as oriental and Latin American grooves. Their discography so far includes "Coyotes Del Amor" (2015) and "Dizko Fatale" (2019).
