Malaka Hostel is a band of 5 musicians, plus a technician (6 people)

Viktor Wagner, Daniel Di Marzo, Grischa Kursawe, Elena Jacoby, Werner Wilz, Jonas Meder

Parking

We need a parking space for the band vehicle (a large Mercedes Sprinter, height: 2.70m) in close proximity to the performance venue and at the accommodation location. If transport by air or rail has been arranged, this can be omitted.

Backstage

Thank you for a quiet place where we can relax.

Catering

Still water (at least 5x1 liter in resealable bottles) must be available on stage. We also appreciate coffee/espresso and non-alcoholic drinks + beer in the backstage area. Salad and fruit will help us get through the tour. There are 2-3 vegetarians.

Accommodation

We require 2 twin rooms with separate beds and 2 single rooms in a good, nearby hotel including breakfast. Please arrange for late check-out. Band apartments are also possible, provided they are comfortable, clean, accessible at any time for each individual, and ensure a restful night

Room assignment

Twin Zimmer 1: Werner Wilz, Grischa Kursawe; Twin Zimmer 2: Viktor Wagner, Daniel Di Marzo,
Single Room 1: Elena Jacoby; Single Room 2: Jonas Meder
